

DCIA P3P Working Group (P3PWG) Leadership Summary

Advisory Board

Overall guidance and strategic direction for the P3PWG is provided by an Advisory Board chaired by Ron Berry, e-Commerce Advisor to the Isle of Man government.

Members of the Advisory Board include Ted Cohen, Managing Partner, TAG Strategic, and Peter Jenner, Secretary General of the International Music Manager's Forum, overseeing senior level music industry relations and strategy; Ian Penman, Founding Partner, New Media Law, providing legal oversight and guidance; and Marty Lafferty, CEO, DCIA providing P3PWG logistics and process facilitation.

Co-Chairs

Co-Chairs (ideally three per category) are currently being recruited to represent each of the following essential categories of participants:

- Internet and mobile network service providers (ISPs)
- Music recording and publishing content rights holders (CRHs)
- Licensed digital music delivery services and bundled hardware product offerings (DMOs)
- Peer-to-peer and other file-sharing software distributors (P2Ps)

Facilitators

Sub-Groups are expected to be added to help organize activities of vendors and other support entities, with facilitators as may be necessary depending upon the complexity of the work. Possible Sub-Groups may be:

- Caching solutions vendors
- Online data tracking services
- Payment services providers
- Other supporting entities
